Saying “Yes” to promises of Baptism

This is an affirmation of that event in which God raised you from death to life by giving his unconditional promise of love and salvation. In Baptism, God said, "yes" to you. Confirmation is a time for you (your child) to publicly say "yes" to God – to say, "Yes, I believe that God's promise is *for me!*"

Our Confirmation ministry is a time of intense spiritual discernment and growth. We know that middle school/high school years are filled great transition in every facet of life. We want those in the midst of this transition to know they are not on their journeys alone. We want to share with our students the rock of faith that has kept us secure so they can rely on it as well. This is an age when students look critically at what they have learned at home and desire to make their own choices. During Confirmation we give them the tools to understand their lives in the context of God's great and on-going story, building a foundation they can count on for the rest of their lives.
